

## NEW DEAL FUND MAKES 1<sup>ST</sup> BUSINESS INVESTMENT IN SMART HEALTH CARE SECTOR

FSC Chairman Eun Sung-soo visited Biocore's biotechnology division in Yongin-si on March 11 and delivered congratulatory remarks as the company has been selected as the first recipient of investment from a New Deal fund.

In his remarks, Chairman Eun talked about the importance of the first New Deal fund investment setting a 'best practice' example for subsequent investments in both green and digital New Deal areas.

Chairman Eun also spoke about the importance of boosting private sector investment in New Deal ecosystem, which will help foster the economy's future growth areas. In this regard, Chairman Eun pledged that the government will provide strong support to facilitate investment in New Deal businesses and infrastructures.
